FOR THE CURE OF

We offer to the American public a new and raluable remedy for the above-mentioned dissees. Fowler's Compound Extract is composed the best medicines known to Materia Medica. it is perfectly pure in all its ingredients, being emposed of several well-known articles universally used by the best Physicians; each of which in combination, supplies what experience has shown to be wanting when singly employed; but the result of patient investigation, requiring time, labor and skill, so as to give the public a cennine article, which they can rely upon, and in place of the worthless and dangerous Patent Medicines flooding the country; and therefore enables us to warrant Fowler's Compound Extract to be the most perfect curative for disases of the blood ever discovered.

SCROFULA. This Compound is a never-failing cure for this errible disease. How many diseases have their seat in the blood-diseases which have been treated value for years. If the blood slone is purified, in most cases health and happiness will soon rotura. Dr. Fowler's Compound acts especially upon the virus in the blood, causing matime the disappearance of the hideous sores, and restoring the sain to a healthful appearance, the eye clear and sparkling, and the whole human organization becomes healthy.

SYPHILIS Or all diseases which flash is is heir to, none bring so much misery moral and physical, as Syphilis. To all so afflicted we can truly say this rem dy will help you. Two articles found by experience to be peculiarly efficacious for the disease are contained in this compound .-We ask you to try Dr. Fowler's Compound Ex tract, and by giving it a fair trial, it will cure

We speak with much confidence of Dr. Fow ler's Compound, because we know what it is composed of, and what it will do. We know Dr Fowler well, who is a physician of known repute, standing second to none in the country, of long experience, an honorable man, who, hav ing a reputation for character, as well as our selves, would never allow a medicine to go tefore the public without merit. And we say of this Compound, if taken according to directi ns, after a tair trist, it will do all we claim for it. We offer it as a new discovery, which it certainly is—a genuine ar icle for Scrofulla, Syphilis, and all blood impurities; and knowing the gen nineness of it, as such we send it forth, saying

pupils. I have felt a special gratification in noticing the great attention which he uniformly pays, in his course of instruction, to the English language and to its rich and varied Literature (From Rev. J. U. Hiden, Wilmington, N. C.) After a long and intimate acquaintance with Mr. John Hart, Principal of the Baptist Female Institute, it gives me pleasure to state that I regard him as one of the most thoroughly con-

scientious, capable and successful educators 'hat I hav ever known. (From Rev. Jas. P. Fojce, Greenville, S. C.) Those desiring the thorough education of their daughters, cannot do better than to pace them under the charge of Prof. Hart. His thorough scholarship and his judicious sentiments as to what Female Education should be, eminently fit h m for his chosen vocation. I can conceive no higher advantages than are offered by his echool-
